

## Presenter Questionnaire

1. Are there ways you feel your Cafe experience was beneficial to you?
2. Are there ways you feel your Café experience had a negative impact for you?
2. What impact, if any, did the dry run and other feedback from program staff have on your presentation?
3. The youth in the four towns we serve are unique in character, interests, motivations, and prior knowledge. Do you recall adjusting your presentation differently in different towns? If so, please explain.
4. Based on your own experience, can you suggest any specific ways that we could improve the way the program is structured and conducted, including your own preparation?
